Custom Knotted Nets & Net Fence:

Fifteen (15) ft x 500 ft. #30 twisted MFP* knotted netting hung square - \$1500.

Cut lengths \$3.00/foot. Available in green and black

We can make net fence out of any knotted netting. The materials are nylon or polypropylene made with twisted or braided twines. They come in sizes from 1"sq. to 6"sq. The most common colors for nylon are white, black, and green; and for polypropylene: orange and green. We have made fence for everything from deer fence to ski race fence; bird control to crowd control. Give us a call and we can discuss an alternative that fits your customer's application and budget. All prices are plus freight and subject to change.
